# ABOUT THE COURSE

IIEM offers a Diploma Programme in Private and Public International Law. This is a Four Month Distance Education Programme which is primarily designed to disseminate knowledge on various International laws. The course is useful for professionals and individuals working across borders. It covers aspects of Private and Public International laws, in addition to Jurisprudence, Intellectual Property rights and Environmental Laws. The aim of this course is to provide a working knowledge and awareness for individuals about laws which may be interpreted differently across nations. The course has been prepared with inputs from Mr. Anil K. Nair, Advocate of the High court of Kerala. The Institute follows an open book examination model whereby the Student can refer his curriculum books as well as other resources to provide suitable answers. However, the questions shall be framed in such a way that answering them will need proper understanding of the subject and relevant laws and procedures.

## COURSE DELIVERY

**Course Duration : 4 Months**

### Course Delivery

**Offline Mode** : • You will be sent Printed material of books to your address.

- After 3½ months you will be sent an Examination paper which will should be answered and sent back within 2 weeks.
