ABOUT THE COURSE

Indian Institute of Export Management (IIEM) offers a Diploma program in Export Management, which helps develop skills in Foreign trade management. The students are exposed to a thorough study of the various departments of Export-Import trade. The course covers various export-related topics such as marketing, packaging, shipping, financing, documentation and policies from a practical viewpoint. The curriculum has been designed to cover the latest developments in all these fields and the course material is constantly revised to reflect changes in policies, procedures etc. The Institute follows an open book examination model whereby the Student can refer his curriculum books as well as other resources to provide suitable answers. Questions shall be framed in such a way that answering them will need proper understanding of the subject and relevant laws and procedures.

ABOUT IEM

Indian Institute of Export Management (IEM) was set up in 1994, with its corporate office at Bangalore. The institute has been established with a mission to impart training to entrepreneurs wishing to start export ventures and executives intending to make a career in export management.

Head quartered at Bangalore, IEM acts primarily as a promotional and operational institution to help students, export entrepreneurs, existing businessmen and managers in promoting their business. In the 22 years since inception, more than 40,000 students have enrolled for various Export Management courses at IEM. The course material is meant for professionals and students working in the field of management who have interests to move into the field of foreign trade.

WEBSITE PORTALS

IEM operates two website portals for students:

www.iem.com : The Academic portal of IEM which contains Course Details and Online Classroom.

www.ieminfo.com : The Service Portal of IEM which provides Career opportunities, Export Services, Important News and Notifications.

STUDENTS' OPINIONS

"I must say that IEM has done a landmark job in creating quality export management specialists. The course study material is easy to understand and covers all the important aspects of export management." ~ **Mr Virpal Singh, Textiles Exports (www.muteyaar.com) , Punjab (1995 Batch)**

"The course material is simple, easy to understand and briefly explained. The basic concepts are clear after going through the study material provided by your institution." ~ **Mr. ARVIND KUMAR MANOCHA, New Delhi. (2005 Batch)**

"The Export Management course conducted by IEM is very useful in my banking practice" ~ **Mr. M.G. AJITH Federal Bank, Hassan (1999 Batch)**

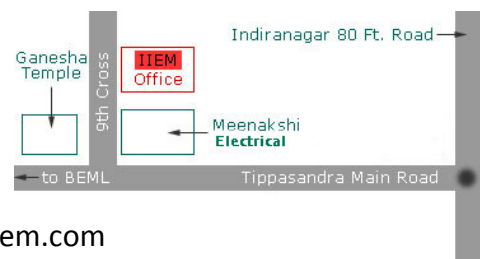

"I have found the course to be very informative. It has been of immense help in my profession and I recommend this course to all Chartered Accountants, Advocates & Tax Consultants." ~ **Mr. B. RAVINDRAN Advocate & Tax Consultant , Bangalore (2000 Batch)**

"I wish to place on record that the Export Management course has been very informative and the syllabus is comprehensive and up to date. I wish all future students of IEM success & prosperity through exports." ~ **Mr. M.V. GEORGE, Nippo-Denro Ispat Ltd., Nagpur (1997 Batch)**

"The course covers all the the topics of Export Management in a short duration of 4 months with very nominal fees. It is useful to those who want to make their career in exports." ~ **Mr. T. KATHIVEL MURUGAN, T.R Pattinum, Karaikal (2003 Batch)**
